Has the meeting day/time changed or are there 2 meetings with Jared? Your message says Wednesday the 13th at 3; The invite that I received from Abi says Tuesday the 12th at 3. I have a conflicting meeting with the Forest Service on another project on Tuesday, but I'm open on Wednesday.

Team Rosemont,

Jared is going to LA to have a meeting with Col Gibbs on Friday Jan 15th. I think the main focus will be on Rosemont. I just talked with Abi and got a slot on his calendar for Wed the 13th at 3:00. Lets use our time to update him on anything new/different that we know from our last briefing with him.

Carter, Jason –

Ex. 5 - Deliberative Process

Note that CEQ is expecting edits/corrections to any of Horst's attachments by January 13. Carter, please take the lead for reviewing the attachments and making any edits needed in track changes for my review. Jason, I recommend that we send one consolidated mark-up to CEQ. If that sounds ok to you, please send any edits/corrections from the Water perspective to Carter by Friday, if at all possible.

We also need to send CEQ an updated list of R9 contacts. I'm quite sure that we've done that before, but Horst's email addressees include a bunch of folks who are no longer here, so we'll do it again!

Thanks –

-Kathy

Happy NY. Hope you had a great holiday and got to take some time off. I was off a few days last week. What a pleasure.

Question for you. I'm wondering whether Horst ginned up attachment 3 or this is something EPA gave him. Do you know? Thanks.
